## Opportunities in New Tax Laws for Small & Medium Size Businesses

### Presenter:

Dustin Stamper, Director, Washington National Tax Office, Grant Thornton

### Presentation Overview:

Takeaways:

Everyone knows a new wave of tax laws were signed into law December 22, 2017. Accountants & Tax professionals around the country are scrambling to understand what this means in reality and in practice. You can be thrilled about certain changes, and concerned about others, but understanding the advantages and opportunities is a critical mission for CEOs and CFOs. You will walk away with knowing:

1. The most important changes impacting small-medium size business
2. The biggest opportunities from the changes
3. The “trap doors” and important concerns
4. And, a number of “summary checklist oriented” hand-outs for immediate use

While you might think you leave “this stuff” up to your CFOs and important accounting & tax professionals, don’t!!! Real opportunities have opened, and some new trap doors built. You need to know the full landscape to lead your company through the new economic situation(s).

The session will help you:

- Proactively address the opportunities
- Plan for managing the potential downsides
- Making the right moves to navigate the new wave of tax law changes
