**Not a member yet?** CXO Forum was founded in 2004 as a monthly gathering for CXOs of growing and mid-sized companies. CXO Forum offers C-level executives a safe haven where peer-to-peer discussions on ideas and solutions take place in an environment of collaboration that builds collegiality. Membership is by invitation only, and attendance at the monthly sessions ranges from 20 to 40 CXOs — a size that nurtures networking and business relationships. To learn more or to become a member, please contact Michael Velotta, VP of Membership, [mvelotta@vcigp.com](mailto:mvelotta@vcigp.com). More information is available at [CXOForum.com](http://CXOForum.com).
